

1. How are you connected with the Richard Hugo House?

I am a(n) (check all that apply):

- member
- employee/director/writer in residence
- volunteer
- other non-member

2. Do you use the library?

Yes

No

If yes, skip to question 4

3. If not, why not?

- I don't have member privileges
 - The library is not physically accessible to me
 - I don't need the services provided
 - I don't know/understand what services are provided
 - Other (please elaborate:)
- Skip to question 8.

4. What have you done in the library (check all that apply)?

- I have used computers
- I have attended class(es)
- I have used books, journals, screenplays, etc.
- I have studied, written, or other done other work there
- Other (please elaborate:)

Combine with 4.

5. Which do you do on a regular basis, and how often?

- I have used computers
- I have attended class(es)
- I have used books, journals, other physical materials
- I have studied, written, or other done other work there
- Other (please elaborate:)

6. Are you satisfied with the following?

- the computers (yes somewhat no)
- the classes
- the books/journals/other physical materials
- the library "space"

7. Is there anything else you are particularly satisfied or dissatisfied with?

8. If you could have your choice of 5 things/tools/whatever to place in the library, what would they be? You can have anywhere between 1 and 5, but #1 is the thing you'd most like to see. These could be things like a particular book, a specific journal subscription,

an on-line directory of writers' resources, better tables, a person available to help, etc. Please be creative!

9. For finding books, are any of the following helpful to you?

- the shelflist
- the classification system (the grouping of the books on the shelves)
- both a and b
- neither a or b; I just browse
- neither a or b; I didn't realize they existed.
- I am unable to use these materials

10. We have recently created an online library catalog using a tool called LibraryThing. Have you heard of LibraryThing?

-yes

-no

11. Do you feel that having an online catalog is a good thing for the Member Library?

-yes

-no

12. Feel free to play around with our catalog, which is found at <http://www.librarything.com/catalog/hugohouse>. Let us know what you think here (optional):

11. Any other thoughts/comments about the library:
